NATIONAL CONVENTION SCHOLARSHIP

TAMU SHPE
2019-20

Howdy Former Students!

Thank you for showing interest in our **National Convention Scholarship**! As TAMU SHPE continues to grow with over 300 members, we are looking for new ways to extend our invitation to attend National Convention. This previous year, SHPE National changed convention logistics: they no longer provide lodging for the entirety of the convention. This additional and unexpected expense has prevented us from exceeding our historical attendance of 40 sponsored members.

Based on our annual budget and expected sponsorship we will be taking 38 TAMU SHPEsters to Phoenix, Arizona. To continue to provide a career-changing experience to our members, we established the goal of fundraising a total of **\$700** to cover the expenses of **two additional members**. These selected members will be chosen from our National Convention Scholarship Application that will be available to all fully paid members. To achieve this goal, we are asking you, a TAMU SHPE Former Student, to help the cause.

The SHPE National Convention has impacted numerous of our TAMU SHPEster's careers, but most importantly, their life. From Liz Diaz winning Extreme Engineering with Team Navy in 2014, to 12 members receiving internship offers in 2017, TAMU SHPE has always shown its presence in convention. Also, let's not forget all the memories created along the way from members experiencing their first plane ride, first trip outside of Texas, and all the crazy SHPE Familia bonding to celebrate each other's achievements. By attending SHPE National Convention, members are able to realize their full potential and discover how SHPE can help them now and in the future!

This short Scholarship Donation Packet details our goals for the 2019-2020 National Convention in Phoenix, Arizona. I am excited about the possibilities this scholarship has to offer and believe the TAMU SHPE Former Students Program is the prime example of the SHPE National "Better Together" initiative!

NATIONAL CONVENTION EXPENSES

Transportation.....\$331.30

The recipients of this scholarship will be included with our group rate for Southwest Airlines. This transportation expense will cover the round-trip from Houston, TX to Phoenix, AZ.

As always, members will be housing each other the night before the flight. Based on the cost of transportation for these members, TAMU SHPE has created the following scholarship goal:

SHPE SCHOLARSHIP GOAL:

\$700

Donation Amount

Gray Donation: \$1 - \$49

White Donation: \$50 - \$149

Maroon Donation: \$150+

HOW CAN YOU HELP?

As a TAMU SHPE Former Student there are many ways to support and encourage our members to attend the National Convention.

Professional MentorSHPE

As a mentor for upperclassmen members, you may help them prepare for the National Convention career fair, many engineering competitions, and overall academic success. Email tamushpe@gmail.com for more info.

Convention Briefing

On October 23rd, we will host a workshop where members may learn which companies will be present, how to make the best of convention, and receive overall advice from members who have participated in previous conventions. Email us for more information.

Financial Contribution

Lastly, you can directly invest in the future of our members by making a monetary contribution that may allow us to cover the travel expenses and take **two additional** members to Phoenix, AZ.
